Sir:

Enclosed is a Certificate of Correction submitted under the provisions of 35 U.S.C. §254, to correct errors of the Patent and Trademark Office in the printing of the above-identified U.S. Patent.

In addition to the errors of the Patent and Trademark Office, a review of the patent has revealed the presence of an error attributable to applicants/patentees, which however is of a minor and self-evident character, as listed below:

Column 1, line 64, "y Kelly J.W., et al." should be -- and Kelly J.W., et al. --.

While the foregoing error is not sufficiently serious in nature to warrant submission of a Certificate of Correction, Applicant nevertheless wishes to bring it to the attention of the Office for entry into the record of the above-identified patent.

Respectfully submitted,
